10:30 am to Noon - Finding and Developing Your Future Employees
Facing steep competition for interns, engineers, and public
administration professionals? You are not alone. Discover how Sarasota
County, Florida met this challenge through its Professional Engineering
Development Program (PEDP). Participants in this program participate in one-
year rotations through the various engineering divisions. They receive training in
communication and other people skills. See how the program runs and how it has
succeeded.
Presentation by Gary Downing, P.E.
