

FACERS Annual Conference
AGENDA
June 2006

Wednesday, June 28, 2006

8:30 AM to 9:30 AM

- Pavement Management for the Masses

Bob Seifert - KMS Associates will discuss the benefits of a good pavement management system, and how the MicroPaver Software Package (developed by the Army Corps of Engineers and distributed by APWA) may help your county save time and money.

9:30 AM to 10:00 AM

- To AC, or not to AC

Brittany Blacklidge of Blacklidge Emulsions will discuss alternatives to typical tack coats and sealers, and show you how to save money by putting the life back into your surface treated roadways.

10:00 AM to 10:30 AM

- Networking Break

10:30 AM to 11:15 AM

- SB360 Overview

Tim Jackson will facilitate today's discussions on SB360, and will begin by discussing the rules of compliance...what you must do and what you cannot do.

11:15 AM to 12:00 PM

- The Model Ordinance

Kristine Williams from the Center for Urban Transportation Research will discuss the Model Ordinance.

12:00 PM to 1:30 PM

- Lunch (on your own)

1:30 PM to 2:00 PM

- The Impact to Your Impact Fees

Bill Oliver of Tindale-Oliver & Associates, Inc. will discuss Impact Fees and calculation models.

2:00 PM to 3:00 PM

- Make a Case for Case Studies

Vivien Monaco and Susan McCune from Orange County and Norman Feder from Collier County will discuss their experiences and what they plan to do to bring their counties into compliance.

3:00 PM to 3:30 PM

- Networking Break

3:30 PM to 5:00 PM

- Q&A

Tim Jackson will facilitate a panel of our speakers for a round of Questions and Answers.

Thursday, June 29, 2006

8:00 AM to 12:00 PM

- FAC Vendor Exhibit

Take this time to visit all the booths and get up to speed with the newcomers that offer new products and ideas, or reacquaint yourself with vendors that have been here for years.

2:00 PM to 2:45 PM

- Florida Department of Transportation "Statewide Construction Database"

Mr. John Cross, FDOT Manager in the Production Management Office will discuss the new Statewide Construction Database that will include all major road, bridge and vertical construction projects that are scheduled to receive bids over the next three years.

2:45 PM to 3:00 PM

- Networking Break

3:00 PM to 4:30 PM

Engineers of the Round Table (If only King Arthur were a roadbuilder)

Join us for this FACERS tradition—a lively discussion and information exchange also known as the **FACERS Roundtable Open Discussion**
