Safe Routes To School (SRTS) Application Cycle

Aug/Sept '24

Hurricane Season DDIR vs Project Worksheet (PW)

FHWA ER

- FDOT District Liaison in County EOC
- FDOT District Emergency Management Offices
- FDOT Local Programs Office

FEMA

Regional Recovery Coordinators |
Florida Disaster FDEM

FHWA ER – Emergency vs Permanent (LAP)

Emergency Work:

- The purpose of the repair is to restore essential traffic
- The purpose of the repair is to minimize the extent of damage
- The purpose of the repair is to protect remaining facilities.

Permanent Work:

- The purpose of the repair is to restore the highway to its pre-disaster condition.
- Typically requires the development of plans, specifications and estimates
- will likely require some design effort, geotechnical studies or engineering studies, structural analysis or environmental reviews

Updates

Session|Continuing Service Contracts Update

HB 287 /FS 339.28201

- Codification of Local Programs
- LAP Division 1 Specs Consolidation
- Contingency Amount

Continuing Services Contract for LAP

- Contract Ceiling Increase
- Construction Limit Increase
