FACILITIES DEVELOPMENT MANAGER

Join a workforce where innovation and teamwork provide support to the community and citizens of Monroe County. The Facilities Development Manager oversees and administers County facility construction and major renovation projects, ensuring compliance with plans, specifications, contract documents, procurement policies, and applicable laws, regulations, codes, and standards. This position serves as the primary construction leader and liaison among County leadership, departmental staff, design professionals, contractors, facility users, and the public, managing project planning, design, procurement, construction, contract administration, budgets, and inspections.

Monroe County offers an excellent benefits package and is a member of the Florida Retirement System (FRS). Onsite position in Key West. Annual salary range: $112,242.40 - $179,587.84.
